Subject: Portland Harbor - EPA direction on the RI report

Jim and Gene – I have realized that the LWG is submitting the technical work on background for the RI this Friday. I have decided that it would be more prudent to review that information and then direct the LWG to produce the draft final RI report. Therefore, I plan to send the direction to the LWG to complete the RI report on Monday, April 27, 2015.

Let me know if you have any questions or concerns.

Regards,

Kristine Koch
